General Description	2
---------------------	---

### General Description

The Model 91052 is a replacement kit that contains the same accessories as those provided with any of the FACET base units, Model 91000. The kit consists of miniature banana-jack jumpers and leads, alligator clips, and test point pins.

Reflecting the commitment of Festo Didactic to high quality standards in product, design, development, production, installation, and service, our manufacturing and distribution facility has received the ISO 9001 certification.
