General Description

The MindSight LCMS Package (Hosted) consists of a MindSight single site (2 URLs/400 users) web-hosted solution providing 1 year of accessibility.

The Web-hosted version provides the benefit of less maintenance for your IT department, as all back-up services and updates to the curriculum are handled by Festo. This service is offered as a yearly subscription. Access to the eSeries curricula purchased to run in MindSight will be available as long as the yearly subscription is maintained.

MindSight offers complete courseware delivery and classroom management.
